

# UHSAC Strategic Plan 2025-2030

---

## 1. Mission and Values

---

- **Mission:** To deliver high-quality, culturally safe, self-determined primary healthcare to the Urapuntja homelands community, empowering our people to live healthy and strong on Country.
- **Vision:** A healthy, thriving, and self-reliant Utopia homelands where clinical excellence and traditional culture walk hand-in-hand.
- **Core Values:** Cultural Integrity, Respect, Community Control, Accountability, and Equity.

## 2. Strategic Pillars and Objectives

---

### Pillar 1: Clinical Excellence & Homelands Outreach

- **Objective:** Ensure that all residents of the 16 outstations have regular, equitable access to primary healthcare.
- **Action:** Expand mobile outreach frequency, upgrade clinical telemetry for remote testing, and maintain a robust GP and nursing roster.

### Pillar 2: First Nations Workforce Development

- **Objective:** Build a sustainable, local Aboriginal health workforce.
- **Action:** Create clear training pathways for Aboriginal Health Practitioners (AHPs), Health Promotion Officers, and Care Navigators within the Utopia community.

### Pillar 3: Cultural Integration & Birthing on Country

- **Objective:** Integrate cultural protocols and traditional knowledge into clinical programs.
- **Action:** Deliver the Southern Cross University Birthing on Country partnership, train midwives in cultural safety, and establish a dedicated cultural birthing suite at Soapy Bore.

### Pillar 4: Infrastructure & Digital Health Resilience

- **Objective:** Upgrade clinics, housing, and IT networks to support modern medical services.
- **Action:** Invest in stable satellite broadband, off-grid solar energy systems, and clinic structural expansions.

## **Pillar 5: Governance & Financial Sustainability**

- **Objective:** Maintain the highest standards of corporate governance and financial transparency.
- **Action:** Implement independent internal audits, strengthen risk assessment procedures, and diversify funding streams.
